Chirp

Chirp, Tweet and Squawk are three Friends who use their imaginations and everyday objects to get them in - and out of - Fantastically Fun adventures and hilariously sticky predicaments!

What would it be like to be a pirate or travel in space, dive underwater on a dolphin or ride a dinosaur?

Just ask Chirp and his Friends - they play it everyday.

In each 11-minute episode, best Friends Chirp, Tweet and Squawk imagine themselves into Fantastical adventures. They go on grand quests through jungles and on spy missions, but ultimately their imaginations get them into some trouble.

That's where the Mail Squirrel comes in handy. Everyday, at just the right time, the Mail Squirrel drops off a package for Chirp. Seemingly innocuous items like a hand held fan, elastic band or paper clip become a play-saver when Chirp and his Friends are able to engineer them into something more helpful.

By using characters kids relate to and laugh with, coupled with situations they're engaged and entertained by, Chirp, like its namesake magazine, will open up the world to preschoolers, one awesome adventure at a time.
