HEADMASTER

10 X 22' 8-12 YEAR OLDS

DON'T LOOK INTO HIS EYES...

Based on the popular Gillian Cross book series, DEMON HEADMASTER is an episodic series for kids aged 8-12 which is part science fiction and part psychological thriller. A group of five teens discover that the headmaster at their school uses his powers of hypnotism, brainwashing and tech surveillance to “Control, Command and Conquer”. His methods have turned Hazelbrook Academy from a failing school to a beacon of the educational establishment but at what cost?

The teens discover the headmaster is just testing out and perfecting his techniques on Hazelbrook. When he gets the approval of the Prime Minister and is elevated to be the new Minister of Education, he spots an opportunity to use his methods of control on a national stage.

Once the teens put their differences and problems aside and co-operate, they risk everything and manage to defeat the headmaster’s plan to hypnotise the Prime Minister, take control of every school in the UK and then...the World.
