

# SCOUT & The Gumboot Kids

40 x 4.5' Pre-school Series

## Scout & The Gumboot Kids

inspires kids and families to discover the wonders of nature. The show features Scout, a curious mouse who leads the Gumboot Kids through a series of clues that take them outdoors to solve nature mysteries.

It's about the outdoors and the fun, adventure, and joy to be found there. Music driven and science and nature inspired, it's an invitation to children and their caregivers to go outside, engage their senses, and explore the natural world.

Mixing the magic of traditional stop motion animation with 2D CGI animation and live action, each episode of Scout & The Gumboot Kids has a tactile, artistic, and visually rich take on everyday themes and basic science from the natural world. The visual style and lively original music infuse the series with joyfulness and delight.
