

EVENS OR ODDS? TUNE IN AND FIND OUT

On Wednesday, Nov. 26 (the day before Thanksgiving), PBS KIDS premieres its newest series *ODD SQUAD*. The live-action series, which starts with a special one-hour broadcast, follows two young government agents, Olive and Otto, who use math skills and collaboration to investigate weird and unusual phenomena. *ODD SQUAD* is designed to help kids ages 5 to 8 learn math through a math concept embedded in each of their cases. Integrated digital and offline content (games, parent resources, apps and more) will also be available.

ODD SQUAD is created by Tim McKeon (*The Electric Company*, *Foster's Home for Imaginary Friends*, *Adventure Time*) and Adam Peltzman (*The Electric Company*, *The Backyardigans*, *Wallykazam!*) and produced by The Fred Rogers Company and Sinking Ship Entertainment.
