## ENDLINGS

**DELIVERING SPRING 2020**

8-12 year olds | Live Action and CGI | 12 x 22'  
Sinking Ship Entertainment

When the last elephant on Earth mysteriously vanishes, four foster kids discover that they're not alone in the Universe, even though sometimes it can feel like they are. Set in the near future, Endlings is a sci-fi action adventure series for families that sees the fantastical face off against the seemingly unremarkable.

# THE UNLISTED

## THE UNLISTED

### DELIVERING FALL 2019

8-12 year olds | Live Action | 15 x 24'  
Aquarius Films

From the producer of the Academy Award nominated film LION

Twelve-year-old identical twins Dru and Kal discover that the world's wealthiest individuals have created a secret society, named The Entity, who plan to impose global control over the world's youth. Using high-tech electronic implants, they plan to create an army of young soldiers who can be manipulated to obey any order. Dru and Kal, with the help of a group of underground vigilante kids — The Unlisted — realize they need to stop The Entity before it's too late.

# DINO DANA

## THE SERIES

4-8 year olds | Live Action and CGI  
52 x 22', also available as 11'  
Sinking Ship Entertainment

Following in the footsteps of Emmy-winning Dino Dan and Trek's Adventures, this brand new spin off takes the franchise to a whole new level of dinosaur adventure. It includes 16 new prehistoric creatures and an incredible transforming backpack. Meet Dana, a spunky 10 year-old "paleontologist in training" who eats, sleeps and breathes dinos. This epic new series promises to double the action and bring the audience closer to the dinosaurs than ever before.

# DINO DANA

## THE MOVIE – FALL 2019

Family | Live Action and CGI | 1 x 75'  
Sinking Ship Entertainment

**Dino Dana: The Movie** finds 10-year old Dana, who sees dinosaurs in the real world thanks to the magical power of her Dino Field Guide, completing an experiment that puts into question the very existence of the King of the Dinosaurs, the Tyrannosaurus rex. But before she can complete the experiment, her persistent new upstairs neighbour 8-year old Diego grabs it, kicking off a dinosaur journey bigger than anything Dana has ever faced before. When Diego is scooped up into the air by the largest flying creature of all time, the Quetzalcoatlus, who wants to feed him to her soon to hatch babies, it's up to Dana and Diego's older brother Jadiel to get him back.

## ODD SQUAD

4–8 year olds | Live Action and CGI  
80 x 22', 1 x 66' Movie, also available as 11'  
Sinking Ship Entertainment/The Fred Rogers Company

**Odd Squad** is a live-action comedy about kid agents who work for a secret government agency run by kids. These agents are equipped with the world's most advanced and unpredictable gadgetry and whenever something strange or unusual happens, it's Odd Squad's job to put things right.

In the accompanying **Odd Squad Movie** (starring Jack McBrayer) Odd Squad is run out of business when a rival group of adults called Weird Team arrive with a gadget that seems to fix any odd problem. The agents disband and go back to their regular lives until they discover all is not as it seems. They use teamwork and their math skills to battle Weird Team, solve problems and ultimately—save the world.

## ODD SQUAD

### SEASON THREE

4–8 year olds | Live Action and CGI  
20 x 22', also available as 11'  
Sinking Ship Entertainment/The Fred Rogers Company

Ms. O recruits kids to be part of an elite team of Odd Squad agents that travels the world to solve odd cases. If something odd happens like your dog is doubled or your spouse is shrunk, not to worry. Simply call your friendly local Odd Squad precinct and those kids will fix you right up. But what happens when oddness doesn't stay put? Like a globe trotting creature or a villain that is causing oddness across multiple towns? In that case, the Odd Squad Mobile Unit is called in to help.

**Just Add Magic** is a kids' live-action 6–11 serialized mystery based on the popular Cindy Callaghan book of the same name. When Kelly Quinn and her two BFFs, Hannah and Darbie, stumble upon Kelly's grandmother's mysterious cookbook in the attic, they discover the recipes inside are far from ordinary—they're magical. Working together they unlock a world of enchanted ingredients and mysterious powers with every dish they make, uncovering more clues around this one-of-a-kind book and its tumultuous past. Bigger secrets are about to be unearthed when you **Just Add Magic**.

# JUST *add* MAGIC

## ANNEDROIDS

6–10 year olds | Live Action and CGI | 52 x 22'  
Sinking Ship Entertainment

A live-action/CGI blended series, **Annedroids** is the story of budding scientist Anne who builds robots to help her perform experiments with her friends Nick and Shania, and her android creations. This series celebrates science, technology, engineering and math, and does it all through the lens of an 11-year old girl. Anne's experiments always lead to unforeseen complications and misadventures. Nick and Shania have an uncanny way of figuring out the real life solutions to Anne's scientific problems. And when Anne, Nick, Shania and the androids work together, the results are far from predictable.

## RANK THE PRANK

8–12 year olds | Live Action | 13 x 22'  
Apartment 11 Productions

**Rank The Prank** is an explosive new Hollywood-style prank show where two pairs of prank-loving kids are teamed up with two of the biggest and best special effects artists in the world, to perform an incredible hidden-camera prank on the unknowing public. In a bid to out-prank each other, the duo which pulls off the highest ranking PUBLIC PRANK, as voted by our elite panel of RANKSTERS, will get the opportunity to stage the ultimate, mind-blowing MEGA PRANK on a 'target' of their choice.

# GIVER

Family | Live Action | 43 x 22' (13 x 22' SD)  
Sinking Ship Entertainment

**Giver** features playground makeovers with 6–12 year old teams working together with their communities to build and improve local playgrounds. Each team must decide on a new theme for their playground, choose equipment to keep and what to scrap. On top of all that, they've only got 3 days to do it! Our energetic host Michael provides a steady hand and plenty of enthusiasm as the team digs in, drilling, cutting and painting to create a fun new playground for the whole community to enjoy.

# NOW YOU KNOW

4–7 year olds | Live Action and Puppet | 78 X 7'  
Sinking Ship Entertainment/Little Engine Moving Pictures

**Now You Know** enhances natural curiosity and promotes play-based learning by seeking answers to questions preschoolers ask about science, nature and the world around them. Howie and his best friend, a monkey named Baboo, ask a different question in each episode, and then go out into the world to find the answers. Sample questions include: How do fish breathe underwater? Are there holes in the moon? How do snakes move without legs? The series combines puppetry, animation and live-action.

# ARE WE THERE YET?

4–7 year olds | Live Action Travel | 117 x 7' or 39 x 22'  
(2 seasons in SD) | Sinking Ship Entertainment

A global kids' travel series hosted by eight dynamic sibling duos, ages 6–8. Each pair shares their globetrotting adventures through journaling, art, and on-location chatter. From walking the Great Wall of China to learning a Ukrainian folk dance in Kiev, our young hosts take the audience with them. Each set of siblings brings a unique dynamic to their adventures but some things stay the same — amazing experiences and spectacular sights. Produced in partnership with National Geographic.

# WHAT'S INSIDE?

3-6 year olds | Stop Motion | 50 x 1'  
Sinking Ship Entertainment

Ever wonder what's inside a fan? A cell phone? What about a stapler? **WHAT'S INSIDE?** answers those very questions! From winter coats to bicycles, each interstitial explores what's inside the objects we use every day. Using stop-motion animation and fast-paced music, **WHAT'S INSIDE?** unveils the many different parts of an item by breaking them down piece-by-piece—until every last screw has been pulled, and spring has been released, captivating early engineering curiosity in children age 3 to 6.

# SCOUT & THE GUMBOOT KIDS

2-5 year olds | Live Action & Stop-Motion | 60 x 5' or 20 x 11'  
Imagine Create Media

Join Scout, a wise and mindful mouse, as he leads the Gumboot Kids outdoors to uncover clues and solve nature's mysteries. Mixing live-action with the magic of stop-motion animation, the series is an invitation to parents and children to go outside, engage their senses and mindfully connect with the natural world. Daisy is a big-hearted little mouse who loves making nature crafts. Inspired by her observations in her garden and on nature walks, Daisy leads the Gumboot Kids through the creation of a simple, fun craft.

# CHIRP

2-5 year olds | 2D animated | 52 x 11'  
Sinking Ship Entertainment

Chirp, Squawk and Tweet are best friends who use their imaginations and everyday objects to get them in — and out of — fantastically fun adventures and hilariously sticky predicaments. The friends imagine themselves on grand quests through jungles and on spy missions, but ultimately their imaginations get them into trouble. By using characters kids relate to and laugh with, coupled with situations they're engaged and entertained by, **Chirp** opens up the world to preschoolers, one awesome adventure at a time.

# PLAYDATE

2-5 year olds | Live Action and Puppet | 52 x 5'  
Sinking Ship Entertainment

Every kid believes their toys come to life when they're not around and on **Playdate**, they really do! Mac, Priscilla, Sammy and Buckie are the beloved stuffed animals of Jacob and his friends. Each day, these seemingly normal toys sit on the sidelines watching playtime adventures but when the kids are away, the toys get to play! Continuing the kids' adventures the toys always end up causing some kind of chaos that needs to be fixed before the kids return and discover their secret.
