## MEET THE ODD SQUAD! A SECRET GOVERNMENT AGENCY RUN BY KIDS WHO INVESTIGATE WEIRD AND UNUSUAL PHENOMENA AND PUT THINGS RIGHT AGAIN.

### ODD SQUAD SEASONS 1 AND 2

ODD SQUAD is a live-action comedy about kid agents who are equipped with the world's most advanced and unpredictable gadgetry. Whenever something strange or unusual happens, it's Odd Squad's job to put things right by using Math to solve odd problems. If something odd happens like your dog is doubled or your spouse is shrunk, not to worry. Simply call your friendly local Odd Squad precinct and those kids will fix you right up.

### ODD SQUAD MOBILE UNIT

But what happens when oddness doesn't stay put? Like a globe-trotting creature or a villain causing oddness across multiple towns? Now in production is Odd Squad Mobile Unit. A new, elite group of agents have been brought on to tackle oddness around the world. From New York to Japan, Toronto to Australia, the Odd Squad Mobile Unit is here for you, wherever you are!
