TWEENS 8-12 | LIVE ACTION, MYSTERY SERIES

A Social Media Mystery for Tweens in the Social Distancing Era

16 x 13' or 8 x 26'

Lockdown is an up-to-the-minute series that reflects the current state of the world. It is the story of friends living in a downtown neighbourhood in a big city affected by COVID-19.

Shot entirely via web cam and smart phones, this series is a look at how tweens stay in touch while having to stay away. But it is also a look at what happens when boredom leads to suspicion.
