# MY HOME MY LIFE

6–9 year olds | Live Action | 21 x 7' or 7 x 22'  
Lopii Productions

**My Home, My Life** is a series for kids, told by kids. Each episode follows a child who invites the audience into their lives to see their home, family, customs and traditions! Each episode is as unique as the host child and will feature diverse children, families, and homes ranging from two parent families, to families with divorced parents, families with adopted children, and families with new siblings. **My Home, My Life!** showcases a playful, kids-eye view of family life and celebrates family in all its wonderful diversity. Young viewers see portraits of family life that might seem far away from their own, or might seem familiar and could echo the families of schoolmates, neighbors, and friends. But all of them share what makes a family a family — play, patience, parenting (of course), and time together.

# NOW YOU KNOW

4-7 year olds | Live Action and Puppet | 78 X 7'  
Sinking Ship Entertainment/Little Engine Moving Pictures

**Now You Know** enhances natural curiosity and promotes play-based learning by seeking answers to questions preschoolers ask about science, nature and the world around them. Howie and his best friend, a monkey named Baboo, ask a different question in each episode, and then go out into the world to find the answers. Sample questions include: How do fish breathe underwater? Are there holes in the moon? How do snakes move without legs? The series combines puppetry, animation and live-action.

# WHAT'S INSIDE?

3-6 year olds | Stop Motion | 50 x 1'  
Sinking Ship Entertainment

Ever wonder what's inside a fan? A cell phone? What about a stapler? **WHAT'S INSIDE?** answers those very questions! From winter coats to bicycles, each interstitial explores what's inside the objects we use every day. Using stop-motion animation and fast-paced music, **WHAT'S INSIDE?** unveils the many different parts of an item by breaking them down piece-by-piece—until every last screw has been pulled, and spring has been released, captivating early engineering curiosity in children age 3 to 6.

# PLAYDATE

## PLAYDATE

2-5 year olds | Live Action and Puppet | 52 x 5'  
Sinking Ship Entertainment

Every kid believes their toys come to life when they're not around and on PLAYDATE, they really do! Mac, Priscilla, Sammy and Buckie are the beloved stuffed animals of Jacob and his friends. Each day, these seemingly normal toys sit on the sidelines watching the kids enjoy their playtime adventures. But when the kids are away, Mac, Priscilla, Sammy and Buckie get to play! They do their best to continue the kids' fantastical adventures but always end up causing some kind of mess or chaos that they have to fix before the kids return — or else everyone will know their secret.

# CHIRP

2–5 year olds | 2D animated | 52 x 11'  
Sinking Ship Entertainment

Chirp, Squawk and Tweet are best friends who use their imaginations and everyday objects to get them in — and out of — fantastically fun adventures and hilariously sticky predicaments. The friends imagine themselves on grand quests through jungles and on spy missions, but ultimately their imaginations get them into trouble. By using characters kids relate to and laugh with, coupled with situations they're engaged and entertained by, **Chirp** opens up the world to preschoolers, one awesome adventure at a time.

# ARE WE THERE YET?

4–7 year olds | Live Action Travel | 117 x 7' or 39 x 22'  
(2 seasons in SD) | Sinking Ship Entertainment

A global kids' travel series hosted by eight dynamic sibling duos, ages 6–8. Each pair shares their globetrotting adventures through journaling, art, and on-location chatter. From walking the Great Wall of China to learning a Ukrainian folk dance in Kiev, our young hosts take the audience with them. Each set of siblings brings a unique dynamic to their adventures but some things stay the same — amazing experiences and spectacular sights. Produced in partnership with National Geographic.
